LeChristmas in the Air

Christmas trees! Every year I go up the canyon with my family to cut down our Christmas trees. That is what this blend reminds me of, the smell of fresh pine trees and snow, and spending quality time with family. I love the smell of a real Christmas tree in my house. If you use a fake Christmas tree you can still have the real Christmas tree smell! t enhances feelings of security and protection, making you feel warm and safe. This oil also promotes gratitude, compassion, wisdom, understanding, and integrity.
