LeAngel

Releases emotions connected to traumatic or negative experiences of various kinds. This blend is particularly effective for emotions resulting from childhood abuse, both sexual and otherwise. Has an affect on stored anger held in the liver - seems to clear both the negative energy and the physical toxic build-up. It is a simple, yet beautiful fragrance.

Ingredients: Geranium, Balsam, Lavender

Special Affinity for: the energy centers (chakras)

Aromatic Information: Often brings memories of a time or place when one felt safe and loved.

Application: Apply over energy centers (chakras) or on the temples, diffuse, use in the tub or wear as a perfume.

Resonance: emotional, spiritual
