LeBaby Me

Special combination for mothers, expectant and otherwise, and for babies. Contains ingredients to increase skin elasticity, retard wrinkles, enhance skin tone and remove scaly patches. Dilute with carrier oil or distilled water for application over larger areas. The frequency of this blend is extremely high, well into the spiritual range, and is blended so well that notes from all three realms - physical, emotional and spiritual - can be felt and enjoyed.

Ingredients: Ylang, Rose Geranium, Rose, Palmarosa, Bergamot, Rosewood, Camomile
Affinity for: skin; emotions; heart chakra
Aromatic Considerations: Brings a sense of calm, opening to relationships, feelings of connection and willingness to give and take in relationships, particularly, parent/child relationships.
Application: Apply on inner ankles, lower back and abdomen to reduce cramping; on the abdomen to reduce or prevent stretch marks. Dilute with almond oil or carrier oil for a full body massage; add to a bath for skin conditioning and relaxation. Dilute well for babies.
Resonance: spiritual, physical
