LeBelieve

Designed to release negative emotions and perceptions at a cellular level and help us replace them with love, forgiveness, peace and understanding. May promote healthy feelings of self-worth and satisfaction with one's efforts thus far in life, as well as confidence in the ability to do the right things and be in the right places in the future.

Ingredients: Frankincense, Balsam, Palmarosa, Rose, Rosewood, Vanilla

Affinity for: nervous system; cellular memory; emotions

Aromatic Considerations: forgiving and releasing; loving oneself; achieving inner peace

Application: diffuse, use in the bath, wear as perfume,

Resonance: physical, emotional
