LeBreezey

Respiratory tonic; inclusion of Ravensara creates viral fighter and tissue rebuilding properties (especially of the lung and bronchioles); can be used as a muscle relaxant and pain rub. Excellent for chronic conditions like asthma, allergies, pleurisy; is an immune stimulant.
Ingredients: Birch, Eucalyptus, Lemon, Ravensara,Peppermint
Affinity for: respiratory, immune system, skin, muscles
Aromatic Considerations: Opens bronchial and sinus passages. (Try for snoring.)
Application: Diffuse or rub on chest and back; place on pillow at night.
Resonance: physical
