LeEverlasting

A very unusual oil because it is a blend of 5 other blends. Each of these blends are in the mid to very high frequency range, but Everlasting, itself, is a lower frequency (physical range) oil-an amazing example of synergy; enhances spiritual and emotional well-being; relieves feelings of hopelessness or self-pity.

Ingredients: Blended with oils of LeHeart Song, LeTrust, LeWisdom, LeUnity, LeDreams

Affinity for: emotional and spiritual health

Aromatic Considerations: Diffuse this blend while sleeping for restful sleep and to wake refreshed and invigorated; helps one to see and seek their highest potential and best good.

Application: Apply on chest, heart, forehead, sternum (for allergy relief); use diluted as a perfume or massage oil; add to the bath.

Resonance: physical, spiritual, emotional
