Because of the oxygen-carrying capabilities of essential oils, they are all anti-bacterial, anti-fungal, antiseptic, etc. to some extent. This blend contains many of the most powerful oils in this category; having been blended synergistically, they are even more effective than any of the singles would be if used alone and less likely to create any reactions

Ingredients: Elemi, Calamus, Oregano, Spikenard, Patchouli
Affinity for: immune system, lymphatic system, skin
Aromatic Considerations: Kills air-borne 'critters'
Application: Apply to areas of concern; disinfect and prevent mold growth in house or office.
Resonance: physical
