LeDiminish

LeDiminish was formulated with some of the best "gentle" antiviral essential oils to dab on cold sores, without the pain and sting associated with some of the stronger essential oils commonly used to treat cold sores. This blend has been helpful for canker sores, shingles, MRSA, and viral infections. It contains essential oils that will rebuild and repair damaged skin and nerves, soothe inflamed skin, and boost immune function. LeDiminish also has some amazing emotional properties.
