LeDreams

LeDreams was formulated to help us keep our dreams in sight and realize our potential without becoming self-centered or selfish. One of the best oils for insomnia due to negative emotions or nightmares. A favorite of children who are nervous in the dark or when left alone. If nightmares persist while using LeDreams, continue to use it in conjunction with energy work modalities. Finding the disturbing emotion, processing it, and letting it go is the only way to achieve lasting healing.
