LeIQ

LeIQ alleviates mental fatigue and increases mental alertness, aids in concentrationk, and memory. LeIQ is useful when one is overtired but must continue on until a project is completed. LeIQ contains frankincense, sandalwood, and helichrysum. These oils are high in sesquiterpenes and cross the blood/brain barrier to cleanse, nourish, and carry oxygen to the brain. Stimulating and helpful when feeling faint, shock, and jet lag.
