Le Purify

Purifies the air, neutralizes mildew, removes the smell of cigarette smoke and many other noxious odors when diffused in a room. LePurify kills odors, bacteria, molds, and fungus. An excellent oil for cleaning any portion of your home. This blend can be sprayed onto window sills and into corners during the winter months to prevent the growth of molds. Apply to spider bites and insect stings. Can be used for repelling bugs, insects, and mice
