LeDeliverance

Essential Oil Blend

Cinnamon Bark, Clove Bud, Eucalyptus Globulus, Lemon, Lemon Myrtle, Oregano, Oregano Wild, Rosemary Camphor, Thyme

APPLICATION:

LeDeliverance can be used in so many ways, I am sure that I will not manage to list them all here. Some common methods of use are soak the family toothbrushes in LeDeliverance mixed with water, place a drop on your toothbrush at least one time per day, and place on a cotton ball or in an inhaler and carry with you, inhaling frequently during the cold and flu season.
A particularly effective way to fight a very virulent illness is to apply LeDeliverance alternately with LeLife Force. In the evening put one of these essential oils on the K1's (acupressure points on the feet) and the other on the thymus. First thing in the morning, put the oils on again, then put them in opposite positions. If LeDeliverance was on the thymus area the night before, it should go on the feet in the morning. This method is very effective against really nasty stuff.

AROMATIC CONSIDERATIONS:

An excellent use for this blend is to diffuse it every day during the cold and flu season to eliminate airborne bacteria and viruses.

AFFINITY FOR:

immune system, lymphatic system, skin

CAUTIONS:

Care should also be taken to dilute well, especially if frequent use is anticipated. The Clove, Cinnamon, Thyme, and Oregano in this blend make it a possible skin irritant.

PHYSICAL ASPECTS:

LeDeliverance is one of the most potent antiviral, antibacterial, antifungal combinations available. Its many uses include respiratory infections, sore throats, strep throats, dental diseases and infections, cold sores, canker sores, cuts, general infections, athlete's foot and toe nail fungus, and infection from slivers. Apply faithfully, undiluted, for warts (this takes a little time so be patient).
Frequent and consistent use of LeDeliverance also strengthens the immune system. LeDeliverance is an expectorant and helps the lymph system to drain. This is a very effective oil. Everyone should have it on hand.

GENERAL INFORMATION:

LeDeliverance can be used, diluted, or diffused, in the home as a cleaner and air purifier to fight viruses and airborne bacteria.
