The individual oils in this blend also support the respiratory and digestive systems.

GENERAL INFORMATION:

Le Joyeux features Vanilla CO2, a rare and highly prized essential oil. Because of its limited availability, this blend is a limited edition—unless more Vanilla CO2 can be sourced. Its soft, rich aroma adds exceptional depth to the blend, and it's especially beautiful when diffused.

Frankincense and Myrrh—along with gold—were the treasured gifts brought by the Wise Men to the Christ Child and have long been used to purify sacred and spiritual spaces.
