Eucalyptus and Peppermint aid us in moving forward, leaving behind negativity and helping us find stability if we are prone to great emotional highs followed by deep depression.

PHYSICAL ASPECTS:

LePaine is anti-inflammatory, antispasmodic, and calming to nerves. This essential oil blend can be used for sciatica, bone pain, arthritis, sports injuries, muscle spasms, torn ligaments, headaches, osteoporosis, bone spurs, bursitis, back pain, and bruising. LePaine contains essential oils that make it useful as a muscle relaxant and as a respiratory oil.
