# LeSpice is Nice

*Essential Oil Blend*

Allspice, Cinnamon Bark, Frankincense Serrata, Ginger CO2, Orange Sweet, Nutmeg, Spruce Picea

**GENERAL INFORMATION:**

This blend reminds me of all the delicious warm drinks you have in the holiday season, apple cider, eggnog, pumpkin spice, and my personal favorite, chai tea.

LeSpice is Nice provides an emotional and physical lift, kindling a fire within our souls, creating a passion for life, and boosting our drive and ambition. It also promotes feelings of well-being, happiness, and peace.
