

## QUICK REFERENCE SHEET

# LeVictory

Essential Oil Blend

Benzoin, Chamomile German, Clary Sage,  
Frankincense Carterii, Lavender Officinalis, Vetiver,  
Ylang Complete

### APPLICATION:

LeVictory should be applied to the tops and bottom of each big toe and is a good oil for the bath, especially just before bedtime. LeVictory may also be diffused.

### AROMATIC CONSIDERATIONS:

LeVictory, although it contains a large percentage of Vetiver, has a deep, calming, and pleasant aroma which boosts confidence and stabilizes emotions. LeVictory can help in coping with and conquering the effects of emotional traumas and physical injuries and disabilities.

### AFFINITY FOR:

nerves, neural pathways, blood, hormones, emotions

### EMOTIONAL-SPIRITUAL-MENTAL ASPECTS:

LeVictory is especially useful for those with ADHD, OCD, autism, or neurological disorders. Each step forward when working with learning disabilities or any type of neurological malfunction is a victory and a celebration. The ingredients of LeVictory are so well-balanced and synergistically combined that they act as catalysts for the re-building of nerve tissues, and yet are soothing to the nervous system and the emotions at the same time.

Children with any type of learning or social skills difficulty seem to need physical touch. They have the most sunny dispositions, loving to hug and be hugged. Physically connecting with others helps their energy circuits connect and flow more smoothly. Remember that confidence and emotional stability outweigh, many times over, early academic achievement in overall success in life. An "I can do it" attitude is the best skill set any of us can possess. LeVictory absolutely shines in the development of that attitude.

### PHYSICAL ASPECTS:

LeVictory is an excellent oil for children who have a difficult time moving from the left (logical) side of the brain to the right (creative) side of the brain. It helps connect thought patterns and electrical activity across the corpus callosum. This blend is a perfect choice for the child who sometimes has a hard time separating fantasy and reality. For adults, this blend is very calming and can bring each of us to a place where we can accept what is and who we are without fear of failure or rejection.

LeVictory connects the electrical energies of the brow chakra (linear thinking and analytical ability) with the throat chakra (speech and the expression of emotions). This blend is also useful when there is difficulty crossing the visual and kinesthetic midline or when either silent or vocal speech patterns need strengthening. LeVictory also helps improve concentration skills and attention span.

### COMPANION OIL (FOR PARENTS):

LeFaith can help you see your child's potential, avoid discouragement, and aid you in finding ways to bolster your child's confidence and self-esteem. Changing the school system is probably not possible and supporting your child is more effective anyway.
