### EMOTIONAL-SPIRITUAL-MENTAL ASPECTS:

As we experience adversity and joy in this life, our fears, frustrations, annoyances, and irritabilities should mellow into wisdom. This blend can help us do that by moving us away from the negative patterns of our lives. It is of particular use for those who become distraught or discouraged because they continually pressure themselves to do more, be absolutely perfect, or to be ready for any future crisis situation that may happen.

This blend is often used in Inner Child work to establish a firm presence in the present time and situation. LeWisdom can help us express and deal with repressed emotions. LeWisdom is a wonderful oil for any grieving stages of our lives. It is one of the best blends for jet lag and fatigue.
