reproductive issues, headaches, to prevent
miscarriage, nausea, prostate issues,
depression, diabetes

INGREDIENT IN:

CB, FSW, LS, MC, PHB, YW

GENERAL INFORMATION:

First and foremost, False Unicorn is an amazing overall tonic for both men and women. Unfortunately, at this time, it is becoming scarce and is extremely expensive. It is, however, worth every penny! False Unicorn stimulates and tones reproductive organs in both men and women and has been used, with good effect, for nearly all complaints of these organs. False Unicorn is just as effective for menopause as it is for the complaints of younger women. False Unicorn is also noteworthy for headaches and depression.

False Unicorn is high in vitamin C, and also contains copper, sulphur, cadmium, cobalt, molybdenum, and trace amounts of zinc.
