EMOTIONAL-SPIRITUAL-MENTAL ASPECTS:

Lime essential oil is a perfect choice for the very weary—those who are so weary of trials and troubles that they feel far older than their years on earth would indicate. The lively fragrance of Lime is stimulating and refreshing. It can help one overcome exhaustion, depression, apathy, and listlessness. Good oil for improving memory and concentration.

PHYSICAL ASPECTS:

Lime essential oil is said to soothe broken capillaries, stimulate the muscles around the eyes, brighten a pale, dull complexion by removing dead skin cells, and is capable of tightening skin and connective tissue. Lime is a good oil for digestive difficulties, particularly gallstones and gallbladder inflammation. This oil is recommended for liver deficiencies and liver cleansing in infants and children. Lime stimulates the immune system to increase production of leukocytes that aid in fighting infections. Lime oil is also used to stabilize blood pressure fluctuations.

GENERAL INFORMATION:

Lime oil works extremely well in removing gum, wood stain, oil, and grease spots from clothing.
