Birch

Birch is eye-opening. It shatters our illusions and brings us up against reality. This sounds harsh, but honesty in looking at oneself is a liberating force. The most important truth we can learn in this life is the truth about our own motivations. This truth will truly set us free, and birch essential oil can help us grasp it and keep hold of it. Birch is anti-inflammatory. It is useful for arthritis, muscle and bone pain, tendonitis, and osteoporosis. Used for bladder infections, recurring cystitis, gout, edema, and kidney stones.
