### Cabreuva

Cabreuva quiets the mind and helps us move from useless worry to productive planning. It can help us find the vision to see solutions to our problems and the inner strength to carry out our plans. Cabreuva like most oils made from trees, is a very grounding oil. Cabreuva makes a wonderful insecticide and has a delicate woody floral scent. Early studies show that the two main constituents in Cabreuva may inhibit cancer growth. Cabreuva oil is very mild. There are no known contraindications.
