Cilantro

Cilantro tends to be needed by people who focus outside themselves on the needs of others, often in such excess that it's to their own detriment. Cilantro can aid us in developing compassion and sympathy for others. Brings feelings of joy and satisfaction with ourselves and the circumstances of our lives. Cilantro is both a gentle stimulant and a mild sedative. It can be used to raise energy levels and calm nerves, when stress or overwork has brought on a state of nervousness with fatigue.
