Eucalyptus Radiata

Eucalyptus is energizing and promotes feelings of steadfastness and confidence. The aroma can help us release resentment calmly, without the usual explosions of temper and hostility. Diffused it purifies the air. Eucalyptus is useful for bronchitis, colds, flu, asthma, and any problem in the respiratory system. It is one of the best oils for bringing down a fever. Eucalyptus alleviates mental exhaustion and stabilizes blood sugar levels. Eucalyptus Radiata is gentler and softer than globulus and is preferred by many for use in meditation and energy work.
