Howood

Howood is emotionally uplifting to the mind. It promotes alertness and clarity but is relaxing and refreshing at the same time. Howood is especially nice when added to a bath. Howood can prepare our minds and spirits for emotional, spiritual, and energy healing work. Howood calms the nerves and is an antidepressant. Howood is a cellular stimulant and regenerator (cytophylactic), much like helichrysum. This makes it a very valuable oil, especially for the price.
