Idaho Tansy

Idaho tansy encourages a positive attitude and general feeling of well-being. Idaho tansy acts as a sedative for nerve disorders and emotional impulses. It is useful for the emotional aspects of anxiety, depression, anger, irritability, convulsions, and hysteria. This oil is specific for people who need deep emotional healing in order to heal physically. Often, physical healing is impossible if our hearts are heavy, weary, or broken. Not usually used as a single. Better as part of a blend.
