Neroli

Neroli is calming, relaxing, uplifting, and encourages confidence. It promotes feelings of joy, peace, and hope. Reawakens passion and sensitivity. Changes negative outlooks and brings us renewed hope. Neroli can help us trust our own intuition and good sense. Particularly for anyone who has become timid or withdrawn. It can help with cynicism and despair. Neroli helps to alleviate feelings of "nothing changes, nothing ever will". Neroli fosters independence and trust in our possibilities for a good future.
