Niaouli

A member of the tea tree family but sweeter and more delicate. The aroma of niaouli can clear the mind and help us stay alert. Niaouli is a great aid to concentration. Niaouli can help us focus on higher values and more worthy goals. Niaouli can help us see the bigger picture of our lives and find those things that we were born to do. A general immune system booster and effective as a response to allergic reactions. Useful for skin conditions such as cuts, boils, burns, insect bites, and acne.
