Petitgrain

Emotionally, petitgrain presents us with new ideas and new beginnings. Petitgrain brings us to a state of mind where calm, natural growth, without feelings of being pressured, can occur. It is powerfully stabilizing to high-strung temperaments and volatile dispositions. Petitgrain promotes hormone balance in both men and women, especially when combined with clary sage. It is excellent for relieving rapid or erratic heart palpitations. Often used in substance abuse programs to aid detoxification.
