SpikenardSpikenard is the emotional equivalent of packing up and leaving the old ways of thinking and reacting behind. Spikenard oil is not about repair of attitudes or relationships; it is about doing a clean sweep emotionally and beginning again. Spikenard is a good oil for use at the time of approaching death. It can give one the courage needed to seek release from this life and move forward to the new. Protects wounds from bacterial infections while soothing and calming the victim.
