Vetiver

Useful oil for emotional and energy work. It helps us connect the past to the present, learning from the things we have experienced and using the present to heal the past. Transforms our memories and experiences into wisdom and maturity. Vetiver can be good for us when a “dose of reality” is needed in our lives. Vetiver is an excellent oil for skin care. It speeds up the disappearance of scars from accidents or acne by promoting the growth of new cells. Vetiver is known in India as “the oil of tranquility”.
