LeAboutface crosses the blood/brain barrier, carrying oxygen and nutrients to the pineal and pituitary glands in the brain. It prevents collagen breakdown in cells and cellular structures.

LeEndoRelief

Apply LeEndoRelief to the lymph glands of the neck, chest, and armpits whenever a cold, sore throat, or flu is suspected. Using LeEndoRelief early, before the illness is fully developed, will lessen its severity. LeEndoRelief is an endocrine system balancer. It benefits the thyroid, pancreas, pineal and pituitary glands, parathyroid, thymus, (for absorption of calcium) and adrenal glands. This makes LeEndoRelief useful for such things as diabetes, hypoglycemia, bladder and kidney infections, and candida. Support of the thyroid and parathyroids aids the proper absorption of calcium. Calcium absorption affects such things as prevention of gallstones, kidney stones, arthritis, and osteoporosis.
