

# CHRYSALIS COURSE INFORMATION

The chrysalis course taught by Butterfly Expressions llc is a 6 part class. There are 4 classes dedicated to energy testing and clearing. One class concentrates on essential oils and herbal preparations and one class is dedicated to the study of homeopathy.

Level I – Energy – 3 days

Level II – Energy – 3 days

Level III – Oils/Herbs – 3 days

Level IV – Energy – 4 days

Level V – Homeopathy – 4 days (additional book fee)

Level VI – Energy – 4 days

The 4 energy classes must be taken in consecutive order as each class builds where the other left off. If you must miss a class once you have started, you simply join the next group and pick up where you left off. If class attendance falls below 6 attendees, the class will be canceled and the whole class will merge with the next group.

## **COST:**

Level I is \$250, paid 30 days in advance of the first class.

Level II through Level VI is a total of \$1000 (\$200 for each class, paid 30 days in advance of the next class.) If you have already taken the oil and herb class and/or the homeopathy class, you may just take the 3 additional energy classes for \$600.

Once you have taken Level I and commit to continuing, you are responsible for the full amount whether you continue or not.

A lunch meal is provided daily.

## **SUPPLIES:**

You will be receiving a lot of printed material in each class to compile a “manual”. You will also be constructing a “workbook” which will organize your energy correction sessions. You can look at some examples of these during the first class and come to Level II prepared.

## **LEVEL I – ENERGY, MUSCLE TESTING, EASTERN HEALING PHILOSOPHIES (3 DAYS)**

Information covered in this class includes: basic kinesiology (muscle testing skills), an introduction to eastern philosophies, checking and balancing meridians, basic acupuncture points, balancing and repairing your energy system, simple techniques for removing or coping with the stress in your life, Tao acupuncture techniques (useful for relief of aches, pains and chronic conditions), working by issue categories, and analyzing your work to find the various aspects and layers needing to be addressed.

## **LEVEL II – ENERGY, HOW THE ENERGY SYSTEM WORKS, MAGNETS, ALLERGY WORK (3 DAYS)**

This class builds on the previous class by expanding the types and kinds of energy corrections available. Specific areas that are focused on in this class are: cellular metabolism, allergies, intolerances, and energy impediment corrects.

## **LEVEL III – ESSENTIAL OILS AND HERBAL MEDICINE (3 DAYS)**

This class concentrates on essential oils and herbal medicine.

## **LEVEL IV – ENERGY, THE HEART, THE MIND AND THE HIGH SPEED MATRIX, ENERGY TONING (4 DAYS)**

This class continues to build on previous classes. Emphasis is on science and the energy system. New research regarding the high speed matrix is presented. Other topics for this class include: degenerative diseases, cellular memory, visualizing and feeling energy, and energy redirection. A great deal of class time is designated for demonstration and practice.

## **LEVEL V – HOMEOPATHY (4 DAY)**

Homeopathy is a very complex subject. These 4 days are filled with learning the basics of how homeopathics work. Included in this class: basic homeopathic philosophies, classical and combination remedies, how and when to use deeper level homeopathics, cell salts, flower essences and gem essences.

Additional book fee: The Complete Homeopathy Handbook by Miranda Castro, 1990

ISBN: 139780312063207

As participants in this class you will have the opportunity to make blessed waters. Blessed waters are similar to homeopathics. The cost to purchase the bottles and make as many of these as you would like is only \$1.00 per bottle. If you plan to be serious about homeopathics (and blessed waters) this offer could potentially save you hundreds of dollars.

## **LEVEL VI – ENERGY, EDUCATION AND LEARNING, EFT, PERCEPTION (4 DAYS)**

This final class ties it all together. We focus on education and how we learn, EFT (Emotional Freedom Technique), generational work, and energy management corrections.
